

Q&A HTA and County

Destination Management Project/Process

SORRY we can't answer all now
BUT will be posted on HTA website
Hawaii Tourism Authority.org

Q. For the long term
can we develop
sustainable tourism
& a carrying capacity?

A. This is a planning issue
I personally feel we need
to address it...

Check out
 AINAALOHA-FUTURES.COM

Q: What policies can we implement to engage with DLNR & community?

A: GRASSROOTS is it
 We are looking at ideas → give us ideas & practical suggestions

Q: Can we develop a plan and ask ... is it sustainable?

A: That is exactly what we are trying to do ...

YES We can... WE residents lead by example ...

GREEN FEE sovereign trust

possible funding to help manage HOT SPOTS
 Q&A Steering Committee Proposed Actions DRAFT

Q: How do we control visitor #s?

A: planning dept. controls that - if we can control rooms we might be able to control visitor #s

Q: How do we teach visitors good driving habits?

A: If we can put them on shuttles and other "controlled" vehicles that can help.

Q: Why not charge a visitor fee?

A: We do do it at select sites

Hawaii.gov / DLNR to see the list

Q: Can we make visitors Pledge?

A: We have one!
 ALONA PLEDGE ORG

We are all accountable for how we advise visitors... from the tour guides to waiters etc...

take a min before you send them or replace they shouldn't

TO protect our reefs can we remove all non-reef products?

A: ABSOLUTELY! it may take effort... of we can look at rental fees out of support when hits council

EFFECTIVE IN NEW YEAR
 OXYBENZONE BANNED!!!

MAKE YOUR QUESTIONS ASSERTIONS!!!

We can support it

Regenerative Tourism
 We need to rethink how we use areas & how we support local business
 21st century KAPU

THIS IS YOUR PLAN!

We can innovate.
 Lets shift gears
 WHAT DO YOU WANT?
