SECTION ONE: INTRODUCTION, TERMS AND ACRONYMS, AND KEY DATES

1.1 INTRODUCTION

The Hawai‘i Tourism Authority (HTA) is the state agency responsible for representing The Hawaiian Islands around the world, and for holistically managing tourism in Hawai‘i in a sustainable manner consistent with community desires, economic goals, cultural values, preservation of natural resources, and visitor industry needs.

The HTA was established in 1998 under Chapter 201B, Hawai‘i Revised Statutes (HRS). The HTA is administratively attached to the Department of Business, Economic Development and Tourism (DBEDT). The HTA’s President and Chief Executive Officer reports directly to the HTA Board of Directors and is responsible for assisting the Board in its responsibility to execute the mandate of HRS 201B.

The HTA works with the community and industry to ensure that we live up to Mālama Ku‘u Home – caring for our beloved home – by guiding Hawai‘i’s transition to a regenerative model of tourism. The agency does this through visitor education, brand management, community reinvestment, and collaboration to maximize tourism’s economic benefit while mitigating its negative impacts. Partners include visitor industry businesses and organizations, community groups, and government agencies at the county, state, and federal levels.

Representation of the Hawaiian Islands in our primary visitor source markets, known as Major Market Areas (MMAs), is through contracted firms collectively known as our Global Marketing Teams (GMTs). HTA currently engages GMTs in the USA, Canada, Oceania (Australia & Aotearoa-New Zealand), Japan, Korea and China markets.

In addition, the HTA creates, manages, and supports the development of unique tourism experiences such as community and cultural festivals, sporting events, natural resources, community, and cultural programs. The HTA also evaluates its programs on their impacts and return on investment (ROI) of public funds. The HTA also directly affects the visitor experience through its support of workforce development, visitor assistance programs, the integration of community and residents’ considerations, and a deep respect for Native Hawaiian culture.

The 2020 – 2025 HTA Strategic Plan frames our work with four interacting pillars: Hawaiian Culture, Natural Resources, Community, and Branding. Emphasis on the three pillars that support and uphold the integrity of Hawai‘i as our home are critical to maintaining the Hawaiian Islands brand globally. The 2020 – 2025 HTA Strategic Plan also adopted four Key Performance Indicators (KPIs) that the agency and its Contractors are responsible for advancing:

- **Resident Sentiment:** Improved resident sentiment toward tourism as measured in the Resident Sentiment Survey.
- **Visitor Satisfaction:** Improved prospective/returning visitor satisfaction with visiting Hawai‘i as measured with the Visitor Satisfaction Survey.
- **Average Daily Visitor Spending:** The average dollars spent by visitors.
- **Total Visitor Expenditures:** The U.S. dollar amount spent in Hawai‘i attributed to visitors. Includes direct spending by visitors while in Hawai‘i as well as any prepaid package purchased before arrival.

In 2021, HTA embarked on a statewide, island by island, community outreach process guided by diverse stakeholder steering committees to create individual Destination Management Action Plans (DMAPs) to recover and rebuild tourism for the benefit of our islands’ communities and to

address community concerns. The DMAPs include specific actions and sub-actions that the agency and its partners are working to address.

The HTA Strategic Plan pillars, priorities and KPIs, DMAP priorities and actions, and the HTA board’s commitment to the Aloha+ Challenge and the ‘Āina Aloha Economic Futures Declaration are considered when designing and implementing all HTA programs and activities.

Contractor performance will be monitored and assessed monthly and HTA direction will be given as necessary.

HTA staff will conduct written evaluations twice a year. These evaluations will determine if the State wishes to continue the contract or not. When the best interests of the State so require, the State may issue a stop work order, termination for default, or termination for convenience. See the General Conditions for details.

Each Evaluation Review will cover the following topics:

- KPIs and Performance Measures – Review results against targets.
- Campaigns and Programs – Review the actual campaigns and programs conducted and how they tie into regenerative tourism.
- Brand Integrity – Review Contractor's ability to maintain the brand integrity and cultural authenticity.
- Communication – Review Contractor's communication with HTA and industry partners.
- Financial Accountability – Review significant variances of budget vs. actual, if any.

Evaluation meetings, either in person or virtually, will be conducted as deemed necessary by HTA. Exercising of options for the contract will be contingent upon the Contractor's performance and ability to meet the objectives outlined above.

In the final year of the initial multi-term contract, the Contractor will be notified of HTA's determination of whether it intends to exercise the available option referenced in section 2.5 above.

2.7 OWNERSHIP RIGHTS

Pursuant to the General Conditions attached to and made a part of the RFP, the State shall have complete ownership of all material which is developed, prepared, assembled, or conceived by the Contractor under this Contract. The contractor shall not use such materials outside of the contract scope unless authorized in writing by the State.

2.8 SUCCESSION OF ADDITIONAL CONTRACTORS

In the event the State chooses to contract with another vendor to provide the services of the Contractor at the end of this contract term or upon cancellation of the Contract, or if the State contracts with one or more additional vendors, the Contractor must provide reasonable transition assistance to the State and cooperation with one or more Contractors. Under no circumstances will the existing Contractor have any right to compensation for investments or other expenditures that were undertaken pursuant to, or in anticipation of, an extension of the Contract.

2.9 GENERAL RESPONSIBILITY TO COMPLY WITH STATE REQUIREMENTS

Unless otherwise provided in this RFP, the Contractor is responsible for obtaining all official licenses, approvals, clearances, and similar authorizations required by any local, State, or federal agency to perform the work required in this RFP.

2.10 INHERENT GOVERNMENT FUNCTIONS

It is important to recognize, however, that the State has fundamental inherent government functions that should not be delegated to a Contractor. Governmental personnel should be the only people making final decisions on proposed Contractor's services. Federal Procurement Law defines inherent functions to be performed only by government employees. The HTA considers the following responsibilities inherently governmental:

- Determining what supplies or services are to be acquired by the Government;

- Approving any solicitation documents, to include documents defining requirements, specifications, incentives, and evaluation criteria. This includes issuance and conduct of this procurement pursuant to HRS section 103D-303, competitive sealed proposals;
- Negotiating cost and pricing;
- Awarding contracts;
- Approving post-award contract changes to include, but not be limited to, ordering changes in contract scope, schedule, and budget;
- Responding to evaluations of Contractor performance and accepting or rejecting Contractor products or services; and
- Terminating contracts.

2.11 HAWAII TOURISM AUTHORITY RESPONSIBILITIES

- Provide direction and guidance as required.
- Provide general information in a timely manner.
- Pay invoices within 30 days upon verification of satisfactory performance.
- Maintain an oversight and advisory role for each of the tasks outlined above.

2.12 POINT OF CONTACT

The Procurement Officer or its designee is the single point of contact (POC) during the procurement process. Offerors shall direct all questions regarding the procurement process and any other procedural questions that may arise related to this solicitation to be submitted in HIePRO by the due date/time referenced in the RFP Schedule. The reference number is **RFP-23-03**. This number must be referred to on all proposals, correspondence, and documentation relating to the RFP.

Material designated as confidential shall be readily separable from the proposal in order to facilitate inspection of the non-confidential portion of the proposal pursuant to HAR 3-122-46. If not applicable, offeror shall state so. (See Section 3.2.6)

3.2 PROPOSAL SUBMISSION

3.2.1 OFFEROR'S AUTHORITY TO SUBMIT AN OFFER

The State will not participate in determinations regarding an Offeror's authority to sell a product or service. If there is a question or doubt regarding an Offeror's right or ability to obtain and sell a product or service, the Offeror must resolve that question prior to submitting a proposal.

3.2.2 REQUIRED REVIEW

Before submitting a proposal, each Offeror must thoroughly and carefully examine this RFP, any attachment, addendum, and other relevant document, to ensure Offeror understands the requirements of the RFP. Offeror must also become familiar with State, local and Federal laws, statutes, ordinances, rules, and regulations that may in any manner affect cost, progress, or performance of the work required.

Should Offeror find defects and questionable or objectionable items in the RFP, Offeror must notify HTA in writing prior to the deadline for written questions as stated in Section 1.4 RFP Schedule and Significant Dates, as may be amended. This will allow the issuance of any necessary corrections and/or amendments to the RFP by addendum and mitigate reliance on a defective solicitation and distribution of proposal(s) upon which award could not be made.

3.2.3 PROPOSAL PREPARATION COSTS

Any and all costs incurred by the Offeror in preparing or submitting a proposal shall be the Offeror's sole responsibility whether or not any award results from this RFP. The State shall not reimburse such costs.

3.2.4 TAX LIABILITY

Work to be performed under this solicitation is a business activity taxable under HRS Chapter 237, and if applicable, taxable under HRS Chapter 238. Contractor is advised that it is liable for the Hawai'i GET. If, however, an Offeror is a person exempt by the HRS from paying the GET and therefore not liable for the taxes on this solicitation, Offeror must state its tax-exempt status and cite the HRS chapter or section allowing the exemption.

Federal I.D. Number and Hawai'i General Excise Tax License I.D. Offeror must submit its current Federal I.D. number and Hawai'i General Excise Tax License I.D. number in

the space provided on the Proposal Transmittal Letter, thereby attesting that the Offeror is doing business in the State and that Offeror will pay such taxes on all sales made in the State.

3.2.5 PROPERTY OF STATE

All proposals become the property of the State of Hawai'i.

3.2.6 CONFIDENTIAL INFORMATION

All government records are open to the public unless access is restricted by law. Identification of confidential information shall be the sole responsibility of the offeror.

The Uniform Information Practices Act requires an agency to make a government record available for inspection and copying, unless the agency can show that an exception to disclosure under Chapter 92F-13, HRS, authorizes the agency to restrict or deny access to that record.

All Offerors are advised that confidential information in a proposal, offer, specification, protest, or correspondence may be subject to disclosure. The State may only restrict or deny access to items deemed confidential pursuant to Chapter 92F, HRS. Any data submitted to the State that the Offeror wishes to remain confidential shall be clearly marked and be readily separable from the submittal in order to facilitate eventual public inspection of the non-confidential portion of the submittal. Any page of an offeror's submittal containing confidential information shall only include confidential information. In addition, Offeror shall provide a list of all confidential information referenced in the Offeror's proposal including page number and sections in a separate attachment. See Attachment 24 for details.

If an Offeror believes that any portion of a proposal, offer, specification, protest, or correspondence contains information that should be withheld from disclosure pursuant to § 92F-13 HRS, then the Offeror shall inform the Procurement Officer named on the cover of this RFP in writing and provide the Procurement Officer with justification to support the Offeror's confidentiality claim at the time of submittal. Price is not considered confidential and will not be withheld; however, actual costs or pricing information that would enable competitors to estimate profit margins and production costs may be marked as confidential. These include selling prices, inventory balances, profit margins, purchase activity, cost of good and freight charges.

Pursuant to §3-122-58, HAR, the head of the purchasing agency or designee shall consult with the Attorney General and make a written determination on any request for confidentiality in accordance with Chapter 92F, HRS. If the request for confidentiality is denied, such information shall be disclosed as public information, unless the person appeals the denial to the Office of Information Practices in accordance with § 92F-15.5(a), HRS.

3.2.7 EXCEPTIONS

Should an Offeror take any exception to the terms, conditions, specifications, or other requirements listed in the RFP, the Offeror must attach a written explanation including the RFP section where exception is taken, a description of the exception taken, and the proposed alternative, if any. If none, state so in the proposal transmittal letter.

Further, the nature of the exceptions will be considered when evaluating proposals. In the sole discretion of the State, exceptions may be evaluated to determine the extent to which the alternative language or approach poses unreasonable, and/or additional risk to the State; inhibits achieving the objectives of the RFP; or creates ambiguity making

evaluation difficult and a fair resolution (available to all Offerors) impractical given the timeframe for the RFP.

3.2.8 **SUBMITTAL REQUIREMENTS**

ELECTRONIC SUBMITTAL ONLY VIA HIePRO. Proposals shall be submitted and received electronically through HIePRO by the date and time listed in procurement timeline. This electronically submitted offer shall be considered the original. Any offers received outside of the HIePRO, including faxed or e-mailed bids, shall not be accepted or considered for award. Any offer received after the due date and time shall be rejected. **The maximum single file size that HIePRO can accept is 100MB, multiple files may be uploaded.**

Submission of a proposal shall constitute an incontrovertible representation by the Offeror that the Offeror agrees to comply with every requirement of this RFP, and that the RFP documents are sufficient in scope and detail to indicate and convey reasonable understanding of all terms and conditions of performance of the work.

Offerors are advised to carefully read Section 3.1.2 Content List and Section 3.1.3 Content Explanation and submit all necessary documents required for this RFP.

3.2.9 **RECEIPT AND REGISTER OF PROPOSALS**

Proposals will be received on HIePRO and the Offeror will receive an email directly from HIePRO confirming receipt of the offer. Once the solicitation closes, all proposals and its attachments will be verified by two or more procurement officials, on or after the date and time specified in procurement timeline, or as amended. The register of proposals and proposals of the Offeror(s) shall be open to public inspection upon posting of award pursuant to HRS § 103D-303, and HAR § 3-122-58.

3.2.10 **MODIFICATION PRIOR TO SUBMITTAL DEADLINE OR WITHDRAWAL OF OFFERS**

The Offeror may modify or withdraw a proposal before the proposal due date and time. Any change, addition, deletion of attachment(s) or data entry of an offer must be made prior to the deadline for submittal of proposals.

3.2.11 **MISTAKES IN PROPOSALS**

Mistakes may not be corrected after award of Contract. When the Procurement Officer knows or has reason to conclude before award that a mistake has been made, the Procurement Officer should request the Offeror to confirm the proposal. If the Offeror alleges a mistake, the proposal may be corrected or withdrawn pursuant to this section.

- a) Once discussions are commenced or after best and final offers are requested, any Priority Listed Offeror may freely correct any mistake by modifying or withdrawing the proposal until the time and date set for receipt of best and final offers.

Technical irregularities are matters of form rather than substance evident from the proposal document, or insignificant mistakes that can be waived or corrected without prejudice to other Offerors; that is, when there is no effect on price, quality, or quantity. If discussions are not held or if best and final offers upon which award will be made have been received, the Procurement Officer may waive such irregularities or allow an Offeror to correct them if either is in the best interest of the State. Examples include, but are not limited to: failure of an Offeror to return the correct number of signed proposals required by the request for proposals; failure to sign the proposal, but only if the unsigned proposal is accompanied by other material indicating the Offeror's intent to be bound; or to

acknowledge receipt of incorrect number of amendments to the request for proposal, but only if it is clear from the proposal that the Offeror received the amendments and intended to be bound by its terms; or if the missing amendment involved had no effect on price, quality or quantity.

If the State requests additional information regarding aspects of an Offeror's Offer, the Offeror shall provide the same within five (5) Business Days of the State's request, unless the State specifies another time period. Each Offeror shall submit only one (1) Offer. If an Offeror submits more than one (1) Offer, then the State reserves the right to reject and or dismiss the Offeror from the RFP process.

3.2.12 NO LATE SUBMITTALS AFTER DEADLINE

Proposals received after the due date and time will be marked late and shall be ineligible for this solicitation. Any offers received outside of the HiePRO shall not be accepted. No hard copies will be accepted.

3.2.13 OFFER GUARANTY

An offer guaranty or performance bond is NOT required for this RFP.

SECTION FOUR: EVALUATION CRITERIA

4.1 REJECTION OF PROPOSALS

- 1) Requirements must be met: HTA reserves the right to consider as acceptable, responsible, and responsive only those proposals submitted in accordance with the requirements set forth in this RFP.
- 2) Reasons: A proposal may be automatically rejected, without further review, for the following reasons:
 - a) Late proposals. Late proposals are automatically disqualified unless the delay was due to the action or inaction of the procuring agency, and only if the proposal was received before award;

 - c) Non-Responsibleness. Including:

 - f) Any effort to lobby any member or employee of the Hawai‘i State Legislature.

4.3 EVALUATION COMMITTEE

The HTA intends to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. The HTA will use an Evaluation Committee to review and evaluate the proposals. The Offeror's contact person is the Procurement Officer. The Procurement Officer for this RFP, identified in the Introduction, serves as the arbitrator and referee for this RFP. The Procurement Officer does not have a vote. However, the Procurement Officer, in accordance with the Hawai'i Administrative Rules §3-122-53, will classify proposals as acceptable, potentially acceptable, or unacceptable. Those proposals determined to be acceptable and potentially acceptable will be provided to the Evaluation Committee for consideration to be added to a priority list.

An evaluation committee of at least 3 qualified State employees approved by the Procurement Officer shall evaluate proposals for the contract. The evaluation will be based solely on the Evaluation Criteria and the process described.

Evaluation committee member identities are kept confidential during the RFP process. Offerors are forbidden from contacting any member of the Evaluation Committee regarding this RFP during the RFP process. Offerors will not be penalized for inadvertent or unrelated communication with committee members. However, Offerors may be disqualified if they seek the identities of the committee members, or knowingly seek out or contact committee members for advice or favor.

4.4 EVALUATION AND AWARD PROCESS

Submittals shall not be examined for evaluation purposes until the submittal deadline. Deadlines will be enforced even-handedly. The RFP evaluation process will consist of at least two rounds.

Round 1: The Procurement Officer, in accordance with Hawai'i Administrative Rules §3-122-53, will classify proposals as acceptable, potentially acceptable, or unacceptable. All responsible Offerors who submit acceptable or potentially acceptable proposals are eligible for the priority list. In Round 1 of the evaluation process, the State will review all proposals timely received. Unacceptable proposals (non-responsive, not conforming to the RFP requirements) will be eliminated from further consideration. In Round 1, the Evaluation Committee will evaluate and score all acceptable and potentially acceptable proposals using the criterion and scoring guidelines

described in Section 4.2 of the RFP. The proposals will be ranked by combined-weighted score. The Evaluation Committee will then select no more than three (3) Offerors from the highest ranked proposals who will advance to Round 2. These selected Offerors will be referred to as “Priority Listed Offerors.”

Round 2: In the second round, the Evaluation Committee may conduct discussions with Priority Listed Offerors and request “Additional Information” which may consist of any combination of question-and-answer sessions, oral presentations, requests for clarification, best and final offers (BAFO), or anything else that the Evaluation Committee may find useful in coming to a decision. The date for oral presentations is listed in the RFP Schedule found in Section 1. The Evaluation Committee reserves the right, but is not required, to perform reference checks.

The evaluation criteria and scoring guidelines for Round 2 shall be those found in Section 4.2 of the RFP. In this second round, evaluators will turn in new score sheets. The Round 2 score sheet shall reflect the evaluators overall assessment of the Offeror, inclusive of the written proposals in addition to the oral presentations and/or any clarifications from Round 2.

4.5 IN THE EVENT OF A SCORING TIE

Should a tie in total average score occur, the tied proposals will be compared and the one with the higher average BMP score will be ranked higher. If that, too, is a tie, then the one with the higher average Overall Capabilities of firm and Qualifications of Personnel – will be ranked higher.

The contract will be awarded to the responsible Offeror whose proposal is determined to be the most advantageous to the State based on the evaluation criteria set forth in Section 4.2 of the RFP.

The Evaluation Committee, based on the aforementioned process, will make a recommendation of award to the Procurement Officer for her/his approval. In the event the State is unsuccessful in negotiating the post-award contract, the HOPA reserves the right to make the award to the next highest ranked responsible Offeror and engage that responsible Offeror in post-award negotiations leading to an executed contract. The HOPA further asserts that she/he may, if negotiations are unsuccessful, in accordance with Hawai‘i Revised Statutes and Hawai‘i Administrative Rules, cancel the RFP.

1. Hawai'i Compliance Express. Paragraph No. 2i of the attached General Conditions is further clarified as follows: The current "designated certification process" is Hawai'i Compliance Express. In lieu of presenting the separate certificates from the Department of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, as outlined in Paragraphs 2e, 2g, and 2h, the Contractor shall obtain and provide the HTA with a current Certificate of Vendor Compliance from the Hawai'i Compliance Express that is current prior to commencing any performance under this Contract. The Contractor shall also be solely responsible for meeting all requirements necessary to obtain the Certificate of Vendor Compliance as required for final payment under Section 103-53, Hawai'i Revised Statutes (HRS), as amended, and Paragraph 17 of these General Conditions.

2. Conflicts of Interest. Paragraph No. 5 of the attached General Conditions is further clarified as follows: Contractor acknowledges and agrees that it has represented to HTA, and HTA has justifiably relied upon such representation, that Contractor is duly authorized, by law and in equity, to conduct the project described in the Proposal under the trade name or other name commonly understood for the Project. Contractor shall avoid all conflict of interests that will not prevent and deter fraud, waste, and abuse, or will not provide increased economy to maximize, to the fullest extent practicable, the purchasing value of public funds. Any credible and reliable proof of such conflict of interest shall be cause to terminate this Contract and withhold any payment to Contractor.

3. Change Orders: Paragraph No. 20 of the attached General Conditions is further clarified as follows: By written order, at any time and without notice to any surety, the Procurement Officer may, unilaterally, order of the Contractor:

- (A) Changes in the work within the scope of the contract; and
- (B) Changes in the time of performance of the contract that do not alter the scope of the contract work.

4. Limited License to Use Intellectual Property. The State hereby grants to the Contractor, a non-exclusive limited license during the time of performance for this Contract only, to use any designated intellectual property, including any domain name, trade name, service mark, tag line, or logo (hereinafter referred to cumulatively as "Licensed Property"), which is owned, copyrighted, registered, patented, or reserved by the HTA, for the purpose of promoting and marketing Hawai'i as a visitor destination and in a manner consistent with the "Hawai'i Tourism Authority Five-Year Strategic Plan 2020-2025." The Contractor covenants and agrees that its use of the Licensed Property shall be of high standards and of high quality, style, and appearance and that Contractor shall, at all times, maintain, increase, or enhance the goodwill associated with the Licensed Property. The Contractor shall not authorize, assign, or grant any interest in the Licensed Property without the State's prior written consent.

5. Conflict Resolution. Notwithstanding any provisions or representations to the contrary, any conflict among the various provisions of this Contract shall be resolved by allowing the various provisions in the following documents, in order of priority, to control:

- (1) Hawai'i State law; then
- (2) HTA regulations, policies, or procedures; then
- (3) The Executed Agreement, including the Contractor's final proposal, with any

- modifications, amendments, or other properly documented changes; then
- (4) The RFP as amended; then
 - (5) The course of conduct, then

7. Travel Protocol. As a State agency, HTA is required to follow an ethics code that informs our travel policy. See HTA's travel policy, attached as the Exhibit entitled "HTA Travel Protocol." HTA reserves the right to review Contractor's travel policy and if elements fall outside of the attached policy, Contractor must work with HTA to ensure that all travel related to HTA work does not violate State ethics laws.

8. Force Majeure. As parties to this Contract, neither HTA nor Contractor shall be responsible or liable, or deemed in breach hereof, for a delay in the performance of their respective obligations and responsibilities under this Contract due solely to a Force Majeure Event beyond its reasonable control; provided that the party experiencing the Force Majeure Event shall exercise due diligence in endeavoring to overcome any Force Majeure Event that impedes its performance, and to mitigate costs where possible. Upon the occurrence of a Force Majeure Event, the non-performing party shall be excused from any further performance or observance of the affected obligation(s) only for as long as such circumstances prevail and such party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay. Any party so delayed in its performance will immediately notify the other by telephone or by the timeliest means otherwise available (to be confirmed in writing within two (2) calendar days after the inception of such delay) and describe in reasonable detail the circumstances causing such delay. *(As used in this Contract, "Force Majeure Event" means any occurrence beyond the reasonable control of a party, including, without limitation, acts of God; act of terrorism; war; embargo; national emergency; insurrection or riot; acts of the public enemy; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; or unusually severe weather or other natural disasters.)*

Competing subsidiary or jointly owned companies may submit bids or proposals and these may be accepted for evaluation and award if such companies submit with their bids or proposals a certificate of non-collusion, sworn to before a notary, which acknowledges that the offer is without collusion.

Unless otherwise specified in the solicitation, all prices shall include applicable Federal, state and local taxes. Any illegible or otherwise unrecognizable price offer shall cause automatic rejection of the offer.

7. IRREGULAR OFFERS

Offers will be considered irregular and shall be rejected for the following reasons including but not limited to the following: if the offer is unsigned by the Offeror, unless otherwise specified in the solicitation; if the required offer guaranty received separately from the offer

is not identifiable as guaranty for a specific offer, or is received after the date and time set for the opening; if the required offer guaranty is not in accordance with the solicitation; if the Offeror or surety fails to sign the surety bond submitted as offer guaranty; if Offeror fails to use the surety bond form furnished by the State or identical wording contained in the said form when submitting a surety bond as proposal guaranty; if the offer shows any non-compliance with applicable law or contains any unauthorized additions or deletions, conditioned, incomplete, or irregular or is in anyway making the proposal incomplete, indefinite, or ambiguous as to its meaning; or unbalanced offers in which the price for any item is obviously out of proportion to the prices for other items.

8. **STANDARDS OF CONDUCT**

All Offerors should be certain that their offer is not in violation of HRS §84-15. This section provides as follows:

- a. A state agency shall not enter into any contract to procure or dispose of goods or services, or for construction, with a legislator, an employee, or a business in which a legislator or an employee has a controlling interest, involving services or property of a value in excess of \$10,000 unless:
 - (1) The contract is awarded by competitive sealed bidding pursuant to Section 103D-302;
 - (2) The contract is awarded by competitive sealed proposal pursuant to Section 103D-303; or
 - (3) The agency posts a notice of its intent to award the contract and files a copy of the notice with the state ethics commission at least ten days before the contract is awarded.
- b. A state agency shall not enter into a contract with any person or business which is represented or assisted personally in the matter by a person who has been an employee of the agency within the preceding two years and who participated while in state office or employment in the matter with which the contract is directly concerned.

9. **CAMPAIGN CONTRIBUTIONS BY STATE AND COUNTY CONTRACTORS**

Unless otherwise specified in the solicitation, a legislative body has appropriated the funds for this contract.

Therefore, if awarded a contract in response to this solicitation, Offeror agrees to comply with Section 11-205.5, HRS, which states that campaign contributions are prohibited from a State and county government Contractor during the term of the contract if the Contractor is paid with funds appropriated by a legislative body.

10. **ACCEPTANCE OF OFFER**

- a. Acceptance of offer, if any, will be made within one hundred twenty calendar days after the opening of offers, and the prices quoted by the Offeror shall remain firm for the one hundred twenty-day period. Unless otherwise provided, each individual item or group of items will be awarded to the responsive and responsible Offeror whose offer complies with all the solicitation requirements. In determining the responsive and responsible Offeror, offers will be evaluated not only on the amounts thereof, but

on all factors relating to the satisfactory performance of the contract. Products or servicing capabilities must be of a quality and nature that will meet the needs and purposes of the intended use and must conform to all requirements prescribed in the specifications. The Offeror must have the ability to perform as called for in the contract terms. The State shall be the sole judge of product or vendor capability. The successful vendor will be notified by letter that the offer has been accepted and that the vendor is being awarded the contract.

- b. If the offer is rejected or if the vendor to whom the contract was awarded fails to enter into the contract and furnish satisfactory security, if applicable, the purchasing agency may, at their discretion, award the contract to the next lowest or remaining responsible Offeror or may publish another call for offers; provided in the case of only one remaining responsible Offeror, the head of a purchasing agency may negotiate with such bidder to reduce the scope of work, if available funds are exceeded, and to award the contract at a price which reflects the reduction in the scope of work.
- c. The head of a purchasing agency further reserves the right to cancel the contract award at any time prior to execution of said contract by all parties, without any liability to the awardee and to any other Offeror.

11. EXECUTION OF CONTRACT

The following subsections shall not apply to any contract in which the total amount payable to the Contractor cannot be accurately estimated at the time the contract is to be awarded:

- a. In cases where the contract award equals or exceeds the dollar level specified in Section 103D-305, HRS, the State shall forward a formal contract to the successful Offeror for execution. The contract shall be signed by the successful vendor and returned, together with a satisfactory contract bond if required, and other supporting documents, within ten days after receipt by the vendor or within such further time as the procurement officer may allow.
- b. No such contract shall be considered binding upon the State until the contract has been fully and properly executed by all the parties thereto and the State Comptroller has, in accordance with Section 103D-309, HRS, endorsed thereon a certificate that there is an appropriation or balance of an appropriation over and above all outstanding contracts, sufficient to cover the amount required by the contract; with the exception of a multi-term contract, whereby, the State Comptroller shall only be required to certify that there is an appropriation or balance of an appropriation over and above all outstanding contracts, that is sufficient to cover the amount required to be paid under the contract during the fiscal year or remaining portion of the fiscal year of each term of the multi-year contract.

Pursuant to the Attorney General's General Conditions (AG-008, as revised), Section 18, in any contract involving not only State but supplemental funds from the Federal government, this section shall be applicable only to that portion of the contract price as is payable out of State. As to the portion of the contract price as is expressed in the contract to be payable out of Federal funds, the contract shall be construed to be an agreement to pay the portion to the Contractor, only out of Federal funds to be received from the Federal government. This subsection shall be liberally construed so as not to hinder or impede the State in contracting for any project involving financial aid from the Federal government.

12. CONTRACT BOND

- a. The requirement for contract performance and payment bonds, if any, shall be stated in the Special Provisions of the solicitation.
- b. When required by the Special Provisions, a performance bond and a payment bond shall be delivered by the Contractor to the State at the same time the executed contract is delivered. Each amount of the performance and payment bonds shall not exceed fifty per cent of the amount of the contract price; provided, for contracts where contract price cannot be determined at the time of award, the amounts of the bonds shall be as stated in the solicitation.
- c. The acceptable performance and payment bonds are the same as the acceptable bid or proposal security deposit specified in the solicitation. If a surety bond is submitted for either the performance or payment bond, in addition to the form prescribed, a power of attorney for the surety's attorney-in-fact executing the bond shall be provided.

13. FAILURE TO EXECUTE CONTRACT

If the Offeror to whom a contract is awarded shall fail or neglect to enter into the contract, and to furnish satisfactory security as required by Section 12 within ten days after such award or within such further time as the procurement officer may allow, the purchasing agency shall pay the amount of Offeror's proposal guaranty, as required in the solicitation, into the State Treasury as a realization of the State. The procurement officer may thereupon award the contract to the next lowest responsible Offeror or may call for new offers, whichever method he may deem is in the best interest of the State.

14. RETURN OF OFFER GUARANTIES

All offer guaranties submitted as required by subchapter 24, chapter 3-122, HAR, shall be retained until the successful Offeror enters into contract and furnishes satisfactory security or if the contract is not awarded or entered into, until the procurement officer's determination is made to cancel the solicitation. At such time, all offer guaranties, except surety bonds, will be returned.

15. PAYMENT

Section 103-10, HRS, provides that the State shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment. For this reason, the State will reject any bid submitted with a condition requiring payment within a shorter period. Further, the State will reject any bid submitted with a condition requiring interest payments greater than that allowed by §103-10, HRS, as amended.

The State will not recognize any requirement established by the Contractor and communicated to the State after award of the contract, which requires payment within a shorter period or interest payment not in conformance with statute.

16. DELIVERY EXTENSIONS

In the case of contracts for the purchase of goods, the delivery date or the maximum number of days for delivery will be specified by the State in its solicitation requirements, and all goods must be delivered with the time specified. However, the Contractor will not be held responsible for delay due to fire, flood, riot, labor disturbances, war, shortage of

transportation, act of God or other reason beyond his control, provided that he notifies the State of such delay and the reason therefore as soon as practicable after its occurrence and requests extension prior to the specified date of delivery. Requests for extension of time shall be accompanied by documents such as the Contractor's purchase order, manufacturer's acknowledgement, shipping manifest, and any other documents substantiating that the causes for delay were beyond the control of the Contractor. The State shall be the sole judge of whether such delay is truly beyond the control of the Contractor and whether extension will be granted. The State reserves the right to terminate the contract or to assess liquidated damages, if provided for in the contract, for delays not covered by specific authorized extension.

17. PERSONAL LIABILITY OF PUBLIC OFFICIALS

In carrying out any of the provisions of the contract or in exercising any power or authority granted to them by the contract, there shall be no liability upon the procurement officer or his authorized representatives, either personally or as officials of the State, it being understood that in such matters, they act solely as agents and representatives of the State.

Unless otherwise provided by special condition, it is understood that the STATE does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with the STATE.
 - b. The CONTRACTOR and the CONTRACTOR'S employees and agents are not by reason of this Contract, agents or employees of the State for any purpose, and the CONTRACTOR and the CONTRACTOR'S employees and agents shall not be entitled to claim or receive from the State any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to state employees.

Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Contract.

The CONTRACTOR shall obtain a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of the Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid and submit the same to the STATE prior to commencing any performance under this Contract. The CONTRACTOR shall also be solely responsible for meeting all requirements necessary to obtain the tax clearance certificate required for final payment under sections 103-53 and 103D-328, HRS, and paragraph 17 of these General Conditions.
 - f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR'S employees and agents that is or may be required by law, and for payment of all premiums, costs, and other liabilities associated with securing the insurance coverage.

4. Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

5. Conflicts of Interest. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.

- c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.

Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
 8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
 9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
 10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.
 11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
 12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

- (1) Cancel the stop performance order; or
- (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:

- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
- (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.

d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.

- c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:

- (1) Any completed goods or work product; and
- (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

- d. Compensation.

- (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
- (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.
- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the

total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

- (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:

- (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;

- (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or

- (C) Within such further time as may be allowed by the Agency procurement officer in writing.

- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;

- (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and

- (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.

b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.

c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.
- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.

- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:
 - (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
 - d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.
 - e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
 - f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
 - g. Head of the purchasing agency approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 and ten per cent (10%) or more of the initial contract price, must receive the prior approval of the head of the purchasing agency.
 - h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
 - i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By

proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

- b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
- c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.
- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:
 - (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - (2) By unit prices specified in the Contract or subsequently agreed upon;
 - (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
 - (4) In such other manner as the parties may mutually agree; or
 - (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.
- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:
 - (1) Description of performance (Attachment 1);
 - (2) Time of performance (i.e., hours of the day, days of the week, etc.);
 - (3) Place of performance of services;

- (4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;
 - (5) Method of shipment or packing of supplies; or
 - (6) Place of delivery.
- b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.
 - c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
 - d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
 - e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.
24. Confidentiality of Material.
- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.
 - b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.
25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.
26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.
27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:
- a. The cost or pricing data, and
 - b. A state contract, including subcontracts, other than a firm fixed-price contract.

29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.

If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.

31. Records Retention.

- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
- (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.

32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.

33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

34. Governing Law. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Contract shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.
35. Compliance with Laws. The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.
36. Conflict Between General Conditions and Procurement Rules. In the event of a conflict between the General Conditions and the procurement rules, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.
37. Entire Contract. This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the STATE and the CONTRACTOR other than as set forth or as referred to herein.
38. Severability. In the event that any provision of this Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Contract.
39. Waiver. The failure of the STATE to insist upon the strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the STATE'S right to enforce the same in accordance with this Contract. The fact that the STATE specifically refers to one provision of the procurement rules or one section of the Hawaii Revised Statutes, and does not include other provisions or statutory sections in this Contract shall not constitute a waiver or relinquishment of the STATE'S rights or the CONTRACTOR'S obligations under the procurement rules or statutes.
40. Pollution Control. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the STATE and all other appropriate state, county, or federal agencies as required by law. The Contractor shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the STATE determines that this Contract requires an adjustment of the time for performance, the Contract shall be modified in writing accordingly.
41. Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-355, HRS, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body.
