SECTION 1 – OVERVIEW AND TIMELINE

1.1 Purpose of the Kūkulu Ola Program

Pursuant to Chapter 201B of the Hawai‘i Revised Statutes, the Hawai‘i Tourism Authority (HTA) is the lead government agency for tourism, established by the State of Hawai‘i in 1998. Its mission is to strategically manage Hawai‘i tourism in a sustainable manner consistent with economic goals, cultural values, preservation of natural resources, community desires, and visitor industry needs. In addition, HTA’s Five-Year Strategic Plan 2020-2025 lays out HTA’s community pillar objective to “generate and/or invest in initiatives and projects that provide for positive resident-visitor interaction, celebrate Hawai‘i’s multicultural heritage, and support better relations between the community and tourism industry.”

The Hawai‘i Tourism Authority’s Funding Opportunity (FO) for the Kūkulu Ola Program seeks programs consistent with Chapter 201B-7(a) of the Hawai‘i Revised Statutes (“HRS”) which allows HTA to “enter into agreements that include product development and diversification issues focused on visitors”; and Chapter 201B-7(5), which gives the HTA responsibility for “perpetuating the uniqueness of the native Hawaiian culture and community, and their importance to the quality of the visitor experience, by ensuring that Hawaiian cultural practitioners and cultural sites that give value to Hawai‘i’s heritage are supported, nurtured, and engaged in sustaining the visitor industry”; and Chapter 201B-3(a)(20) which states that HTA “may coordinate the development of products with the counties and other persons in the public and private sector, including the development of sports, culture, health and wellness, education, technology, agriculture, and nature tourism. In addition, the HTA Five-Year Strategic Plan 2020-2025 lays out HTA’s plan to support Hawaiian Culture. (<https://www.hawaiitourismauthority.org/media/4286/hta-strategic-plan-2020-2025.pdf>).
